

The 17th  
International Conference &  
on VLSI Design

The 3rd  
International Conference  
on Embedded Systems

*The VLSI Design 2004/ ICES-3 Organizing Committee*

*places on record the contribution of*

*Hao San*

*through the presentation of the technical paper entitled*

***'An Element Rotation Algorithm for Multi-bit DAC Nonlinearities in  
Complex Bandpass Sigma Delta AD Modulators'***

**A. N. Chandorkar**  
General Chair

**D. K. Sharma Srimat T. Chakradhar**  
Program Chairs

Supported by

VLSI Society of India (VSI)  
Ministry of Communications and Information Technology,  
Government of India

In Cooperation with  
IEEE

IEEE Circuits and Systems Society  
IEEE Electron Devices Society  
ACM Special Interest Group on Design Automation
